Specific Exclusions

General Conditions

1. Insurable Interest

The *insurer* acknowledges that the *policyholder* has an insurable interest in respect of claims made against the Policy. The *insurer* in any event agrees to waive the right to dispute the insurable interest of the *policyholder*.

2. Choice of Law

The law applicable to this Policy shall be English Law and the parties hereby agree to submit to the jurisdiction of the Courts of England and Wales.

3. Fraudulent or False Claims

If the *policyholder* makes a fraudulent or false claim, this Policy shall become void, any premiums shall be forfeited and any indemnity paid shall be recoverable by the *insurer*.

4. Duty to notify change of circumstances

The *policyholder* must, during the period for which this Policy shall provide cover, advise *Taxwise* in writing of any change in circumstances that may affect *Taxwise's* assessment of the risk and upon notification *Taxwise* shall be entitled to withdraw cover or specify revised terms.

5. Right to settlement of duty

Where the *policyholder's* fees and disbursements are likely to exceed the tax duties that are being claimed against the *client*, *Taxwise* may pay the *policyholder* a sum equivalent to the duties in lieu of fees and disbursements covered by this Policy.

6. Cancellation

This Policy may be cancelled in writing by the *policyholder* by giving immediate written notice to *Taxwise*. The *insurer* may also cancel this Policy by giving 30 days written notice to the *Policyholder*. In the event of cancellation the *policyholder* will be entitled to a full refund of premium if the Policy is cancelled within the first 14 days of cover or a refund of a proportionate part of the premium corresponding to the unexpired period of cover where the Policy is cancelled after the first 14 days of cover. In the event an initial notification of a claim has been made then there shall be no right to a refund of any premiums.

Claims Conditions

In the event of a claim:

1. The *policyholder* must notify *Taxwise* as soon as is reasonably possible, in writing or via the *Taxwise* On-line system, and before they incur fees and disbursements. *Taxwise* may authorise fees of up to £750, prior to receiving a completed Claim Form, although payment up to this amount will only be made if on receipt of the completed Claim Form it is determined that the claim is covered under this Policy.
2. The *policyholder* must then complete and return a Claim Form to *Taxwise*, together with any other information or documents requested on the Claim Form.
3. *Taxwise* will then advise whether the claim is covered by the Policy and the amount that has been authorised, which will normally be an amount sufficient to deal with the foreseeable work. This amount must not be exceeded without first obtaining written consent from *Taxwise*.
4. Where the *policyholder* disputes or continues to dispute HMRC's findings, including rejecting a settlement offer, fees and disbursements will only be covered or continue to be covered if *Taxwise* is satisfied that the benefits likely to be obtained disputing the findings, justify the likely costs. When *Taxwise* considers this they will take into account the *policyholder's* opinion. If the *policyholder* proceeds without consent and is successful then all reasonable fees and disbursements will be covered as if consent had been given, subject to the terms and conditions of this Policy.
5. The *insurer* will pay the *policyholder's* invoices for fees and disbursements up to the *limit of indemnity* provided that *Taxwise* are satisfied that the charges are reasonable and have been properly *incurred*. Interim invoices will be paid, although the *insurer* will be entitled to recover such payments, if for any reason it is determined that the fees and disbursements should not have been covered by the Policy. **Invoices should be raised without VAT as claims against this Policy fall outside of the scope of VAT.**
6. *Taxwise* will be entitled to obtain from the *policyholder* any information or particulars whether privileged or not, relating to a claim.

7. Where it is possible to recover costs from the relevant authority following the successful defence of a claim, the *policyholder* must take all reasonable steps necessary to recover such costs and must in turn return any indemnity paid to the *insurer*.
8. The *policyholder's* hourly charge out rates shall be limited to the amounts listed on the Policy Schedule.
